Summery

I'm Md. Abu Talha, I've finished my Diploma in Computer Science and Falling, and I'm now pursuing both further study and a career in the IT industry. I am well-versed in the fundamentals of networking, including IP addressing, LAN/MAN, router and switch basics, internet troubleshooting, and basics network configuration. Additionally, I have professional experience and expertise in digital marketing, which includes Facebook and social media marketing. I am interested in working effectively in a company that values teamwork, accountability, and quick learning.
